SCIENTIFIC ABSTRACT SUBMISSION GUIDELINES

The scientific committee welcomes submission of abstracts for presentation at Cuticon. The accepted abstracts will be presented in an award paper, Free paper or a Poster category. At the time of submission, the presenter must indicate the category in which they desire to present or can select no preference if they have no specific preference of category. Registration for the conference is mandatory for abstract submission and the registration details should be provided in the application.

The abstract can contain no more than 250 words in a structured format. In the case of studies, the abstract structure should include a Title, Aims and Objectives, Materials and Methods, Results and Analysis, and Discussion.

In the case of case reports, the abstract structure should include the Title, Introduction, Case report, and Discussion. The abstracts will be evaluated by blinded peer review by experts.

According to the scores assigned by 2 independent reviewers, the top 10 abstracts will be chosen for the Award paper session and given six minutes each. The remaining abstracts will be selected for free paper or poster based on the relative merit. If an author submits more than one abstract, the highest-scoring abstract will be chosen for the award paper and the remaining ones for free paper or poster.

FOR AWARD PAPER:

- The scientific committee will select the speakers' order. The total number of slides should not exceed 16 (Including title and References slides).
- Title Slide: Men on the title, the name of the presenting author, any conflicts of interest, and a self-declaration stating that this work has not previously been presented or published.
- Any queries or clarifications are only permitted by the judges after the presentation.
- The presentation time limit is 6 minutes.
- The patient images used should not be identifiable. The award paper category is open only to post graduates and dermatologists who have passed out not more than 3 years prior to 2024.

FOR FREE PAPER:

- Same as the Award paper.

FOR POSTER SESSION:

- The poster abstract structure should include an introduction and objective, methods, results, discussion, and conclusion.
- Mention of affiliation or co-authors is permissible, but the conflict of interest and source of sponsorship must be mentioned.
- Poster Format : E-poster/ presentation
- Each candidate will be given 3 minutes to elaborate on their poster.
- Bulleted items with keywords are preferable. The patient images used should not be identifiable.
- Informed consent for images revealing identifying features is mandatory.

The scientific committee has the right to reject any paper without providing a justification. The scoring of abstracts will be confidential.

There is no limit on number of abstracts which can be submitted by each delegate. However, presentation is subject to selection by the committee.

The scientific content, in the form of presentations is the cornerstone of a conference.

We invite post graduates, practitioners and teaching faculty to contribute to the success of the conference by submitting your abstracts at the earliest.

NOTE:

- The last date for submission is 15th November 2024.
- Your abstract category will be mailed on or before 1st December 2024. Kindly submit your presentations by December 11th, 2024.
- Kindly verify the presentations 90 minutes before your presentation at the console.
